## Information Sessions Frequently Asked Questions

Who keeps track of injury time, umpire, or timer?

- Both are required to keep track; umpires should have their own watches to record

If we have central timing does an injury affect the timing or do, we finish in time with other courts?

- Central timing will override all injury time. If injury is significant and player not able to be moved, approach a convener and time may change.

Who shortens breaks if required?

- Conveners will have a discussion with each other, and Senior Convener then approach all coaches and managers to advise

Does the captain sign before or after the game?

- After

Does anyone need to sign the scorecard before the game?

- Yes, coach or manager must sign the scorecard to confirm names are correct prior to the game starting
- Umpire must sign the scorecard at the **end** of the game

When does the scorer and timer sign the scorecard?

- Scorer and timer must PRINT their name NOT sign after game has finished, this confirms that the scorecard is correct according to both teams.

Do the scoresheets come pre-filled?

- Yes, scoresheets will be pre-filled with player's names, if a name is incorrect or player not in your team, do NOT cross out, notify match office so they can check and update the sheets for the following week.
- During spring 2021 NSG names will not be printed on scorecard and team managers will be required to fill out.

Do positions need to be filled out prior to games starting?

- No, if all positions are filled in and changes or injuries happen during the game the scoresheets becomes messy and unable to read. Positions can be done quarter to quarter.

When filling our positions or injured players can we take scorecard to the team?

- Yes, forms will need to be filled out and returned to [joondalupnetball@bigpond.com](mailto:joondalupnetball@bigpond.com) within a week

What happens if the parent scoring must leave with the injured player?

- Find a new scorer, this is the only circumstance where scorers can change during a game.

Can you add an injury to the scorecard if the injury is noticed a day later?

- Yes, contact admin office

Do we need to call time if a player needs their asthma puffer?

- No, if the play is down the other end of the court and asthma puffer may be given to a player while they are still on court.
- If player leaves the court, they must stay off the court until umpire lets them back on

How do we notify the office of a forfeit if the office is closed on Friday's?

- Email the match office and the admin office as they monitor the emails on Friday's
- SMS the match office mobile, DO NOT call – 0478 840 636

If the team you are playing forfeits, can you play a scratch match?

- Yes, with enough notice provided

If during a weather event everyone leaves and forgets to drop the scorecard at the match office, how can we get it to the association?

- JNA will contact teams if no one remembers and request that the card is returned same day if possible or they will be asked to drop off to the admin office

If players are asking questions about weather and if they are playing, what do we tell them?

- Advise to wait for JNA to advise club contacts, we have certain times to have a confirmed cancellation or confirmation of playing to work up to.

Can you confirm what umpires are paid?

- Saturday umpires are paid by individual clubs, speak to your club's umpire coordinator for confirmation
- Monday umpire fees are to be confirmed each year and clubs will be notified by email to club contacts.
