	<p>Confirmation and acceptance of minutes Before we move a motion, are there any amendments to the minutes of last years Annual General Meeting?</p> <p>Moved – Tanya Teeuwissen (Saints) Seconded – Sharee Hitchcock (Steelers) Accepted</p>		

4	Presidents Annual Report	KC	Below																		
	<p>We commenced the year with a New President, Wow what a year I have had! I would like to thank our NSG Coordinator, Convenors, AUDO, Office Staff, Committee, Our Clubs and most of all Parents and Athletes for making my first year an AWESOME year!</p> <p>We had a fantastic and successful STSAC weekend, Thank you to Chris Stuart, her team, Coaches and Managers for making this a great weekend. NWA has made some major changes this year with the closing of the Regions. West Coast Netball Region closure is the end of an era.</p> <p>Moving forward we have new WANL Clubs and the introduction of the Metro League. JNA will have 4 teams (14U, 16U, 18U & Opens) participating in the Metro League competition in 2019. Well done everyone that has helped put this together. Amazing effort!</p> <p>I would like to thank Filomena LaVerghetta for your amazing contribution and support for the last 8 years as the AUDO. The umpires and the programs you have supported and run with has taken our umpires to the next level. Thank You!</p> <p>2018 saw Jan Rowe become JNA’s 6th Life Member. Congratulations and well deserving Jan.</p> <p>With the addition to the ASCRA Clubrooms in the building process we hopefully will have access early next year to use these facilities. We have received the keys to our new storage shed next to the Match Office. Now we will be able to have easier access to our equipment.</p> <p>Thank you to my family and to everyone that I have called, chatted to, or those who has just listened. Your support has been priceless.</p>

Committee Reports

JNA 2019 PRESIDENTS REPORT

I was proud to represent Joondalup Netball Association this year as President as we moved forward in all areas. I have had such a varied year being involved in Committee, Coaching, Playing and Parenting Athletes. We are a fantastic organisation with a focus on supporting our members in their chosen pathways. There has been many occasions where I have seen our Athletes being healthy, smiling, socialising and enjoying our wonderful sport of Netball.

This year saw the release of our Jets Program (headed by Craig Baseley) which is an exciting pathway for our Athletes of various ages to develop and strengthen their skills. We represented strongly at both the FTG&P Carnival and Metro League and being competitive whilst also showing great sportsmanship. We also have strong dedicated umpires. Umpiring is tough and these members of our association do us proud with their commitment and skill (thank you to Alana Penny for all your hard work and dedication).

We have moved in our new Offices at the ACSRA Club Rooms, so our wonderful office ladies, Kaylene and Viv are now close to the Action. I thank you ladies for all your work and commitment over the last year.

Thank you to my family for your continued support, my girls have been involved in our Association since they were 8 and continue to play at 18 and 22, keeping athletes in sport (an important goal).

Finally Thank you to everyone involved at JNA, Committee, Office Staff, AUDO, ADO, Convenors, NSG Coordinator, Umpires, Our Clubs, Parents and Athletes. Let's keep moving JNA forward in all areas and look after each other, we are a Team, ourselves.

Kylie Kershaw
President – Joondalup Netball Association

JNA 2019 ASSOCIATION DEVELOPMENT OFFICER REPORT

This has been my first year in the role of Development Officer and as such during the first half of the year I was heavily reliant on the members of our association who were involved prior to my appointment. I would like to thank Chris Stuart and Kerry Collins for running the 2019 Association Carnival and 2019 Metro League squads, respectively.

As always our teams in the Association Carnival performed to a very high standard, in many instances competing against athletes from bigger Associations than our own and producing displays way above expectation. This was also the case in Metro League where our athletes rose to the occasion to put in impressive performances in what is now the highest level of competition for Association teams. Well done to all Athletes, Coaches, Managers and other JNA members involved, you are a credit to our Association and I look forward to seeing you perform again next year.

The second half of the year has been spent looking to the future and facilitating change that will hopefully help us to improve the level of both our coaches and athletes moving forward. 4 clinics were provided to help coaches of all skill levels from Net Set Go to Association Representative improve their knowledge and skill set. We are also in the process of moving our Rep Coaches along the pathway with 5 Metro League coaches currently engaged in programs, with several Association Championship coaches due to begin in the near future.

The Launch of the JETS program will see our rep squads embark on longer training programs with higher qualified coaches, a dedicated Strength and Conditioning program, plus the arrival of a Physiotherapy specialist in the New Year. All of these initiatives will hopefully pay dividends in the future.

The highlight of the year for me has been the Future JETS program. Thanks to Association subsidies we have been able to provide a free training program to our U10s athletes. The aim of the program is to provide them with high level skills coaching as they transition from Net Set Go to full rules. For the athletes who transition onto phase 2 of the program, (asU11's), it will provide an insight into Representative squad training alongside our current Rep Squads in preparation for the coming years. Thank you to Head Coach Jan Rowe and her team of coaches for all of their hard work.

Finally thank you to everyone who has helped and supported me through my first year, especially Kylie Kershaw, Sharon Knott, Jo Bayliss, Viv Iellamo and Kaylene Barnett. Apologies if I have forgotten anyone but these people moan at me the most and as result stick in my mind.

Craig Baseley - ADO

Team of the Championships:	13B's
Coach of the Championships:	Joann Swailes (Saints NC)

JNA 2019 UMPIRE DEVELOPMENT OFFICER REPORT

This year being my first year as Umpire Development Officer, have been an amazing learning curve that has no doubt had its challenges, despite this, the highs have made it all worthwhile. One does not realise from the outside, the enormity of the role. At times learning was by trial and error, and for this I would like to thank you all for your patience, understanding and assistance.

A new initiative this year, was to have a Monday night JNA Umpiring polo shirt which was to complement our Committee and Convenor uniforms as well as our Representative teams. Our umpires welcomed this initiative commenting they feel very professional, are easily identified and now associate themselves as TEAM WHITE proudly representing the association.

Metro League's, inaugural year, played mainly on Friday nights, February to early April at the Gold Industry State Netball Centre. Metro League is one of the few ways for an umpire to be Talent Identified to umpire at W.A.N.L. Our association's had four teams entered, 14U, 16U, 18U & Opens. JNA had a team of 9 umpires rostered. Umpiring our own teams and allocated one game for the night. This was a big ask of them to travel down to the Gold Industry State Netball Centre. They embraced the opportunity, thoroughly enjoying the experience, being coached, meeting umpires from other associations, and the atmosphere of the tournament as a whole. They felt it was worth the drive and look forward to umpiring when the competition resumes on the 7th February 2020. A special mention to these umpires who were selected by Netball WA to umpire Grand Finals – Layne Wilson 14U Div 2, Grant Hicks 16U Div 2, Brooke Tkachenko 16U Div 1 and Filomena La Verghetta 18U Div 1. Congratulations all.

Fuel to Go and Play Association Champs - We had 16 umpires attend the June long weekend competition held at the Gold Industry State Netball Centre. We umpired 30 teams, including 10 of our own JNA teams ranging from Open B to 12U. As in the past few years, our umpires assisted Ongerup, Margaret River and all the Singapore teams (Sport Ready Singapore, ANZA Singapore Vipers, Singapore Netball Academy, Centaurs Netball Singapore and AIS Singapore). Our umpires covered an incredible **209 games**. We had 9 umpires selected to umpire a grand final and Archer McDonald and Tegan Scott, Talent Identified by Netball WA Umpire Coaches. This resulted in them being invited to attend FIT trials and State Cup.

During the season Krista Stirling from Netball WA visited our courts and Talent Identified Mia Milligan, Ashleigh Van Vuuren & Sarah Phipps, inviting them to umpire at State Cup, feedback received was that the weekend was well enjoyed, coaching was well received. They were allocated semi-final games and Ashleigh secured herself a position as reserve umpire for a grand final game.

The **GREEN SHIRT** program was introduced by Netball WA in 2007 the program has continued to grow year by year. JNA have a huge waiting list for those wanting to be part of this popular program, which is great for the Association. We had 21 Green Shirts umpire 11U and 12U for the 8 weeks of Spring (15th Oct – 3rd Dec). They were all enthusiastic and eager to learn and after the initial nervousness had settled, they were keen to put what they had learnt to the test. Assigned to a mentor coach who would provide them feedback at every quarter as well as giving them something to work on. The games progressed well as the feedback was implemented. At the end of the programme several umpires were capable of progressing to higher levelled games that brought out their confidence and a few cautions were issued. Thank you to all the coaches that assisted in the programme and filling out feedback reports on a weekly basis. Dianne Harris, Vicki Hewitt, Grant Hicks, Mark McCoach, Maddison Rodgers, Georgia Marchesani, Kelsey Harris, Tegan Scott, Erin Delaney, Mia Smit, Mia Donegan, Zoe Bushell.

Congratulations to the following 20 umpires who received their **National C Badge** this year –

SAINTS

2019 Gold Industry Group WANL Umpire and State Umpire Academy:

- Jessica McKemmish

JNA Most Improved Umpire Award

Most Improved Umpire Award was awarded to the umpire who had during the season improved immensely, had obtained her National C Badge and was Talent Identified by Netball WA. She umpired at the State Cup trials, always has a smile on her face and if she is unsure of any ruling she has no hesitation in asking an umpire coach to explain. This umpire has grasped the concept of umpiring and is applying herself with confidence and maturity. A natural, taking on constructive coaching, she demonstrates commitment/ dedication /reliability and is passionate in what she does. Having completed the Green shirt program last spring to being placed onto Opens B games this season, the award was given to Mia MILLIGAN - Currambine NC – congratulations Mia and all the best for the future.

JNA Umpire Excellence AWARD

The Excellence Award goes to an umpire who is an inspiration to all umpires. She obtained her National C badge in 2016. She loves a challenge and constantly pushes herself to achieve higher opportunities. During 2019 she has assisted with the development of umpires not only within her own club but others as well. She has helped as umpire coach and been on badging panels at JNA. In the afternoon's she would travel down to WDNA to umpire two games there as well. She constantly offers support & encouragement on and off the court. Congratulations to Vicki HEWITT - Quinns NC.

The JNA Finals both on Saturday and Monday, Junior and Opens divisions went very well. Thank you and congratulations to all the umpires that umpired throughout the Finals. We had some close games. On grand final days all umpires stepped up and performed to a high standard. Timers & Scorers for Grand Finals Matches were once again supplied by JNA. Utilizing Umpires to cover these positions proved beneficial to all teams and the smooth flow of the games. Well done to all and thank you.

Umpire Windup

To show our appreciation and thank our umpires for the hard work, commitment shown and dedication to this great sport we call netball, we hosted an umpire's windup and invited Krista Stirling of Netball WA to attend as guest of honour. Food was catered for by Pita Pit Currambine. We'd like to thank Helen and her team for the delicious and healthy food provided, it was enjoyed by all attendees.

In closing, I'd like to thank our office staff Viv Iellamo & Kaylene Barnett for their assistance during the season and Mark McCoach & Filomena La Verghetta for your contribution in assisting me ease into the role, THANK YOU.

Alana Penny
JNA Umpire Development Officer

JNA 2019 NET SET GO COORDINATOR REPORT

NET Winter program – 8 weeks

Dates: 27 April to 22 June

Registered players: 28

Ages: NET U5/6

Assistant Coaches: 4

This year saw our NET Winter program with 28 of our youngest stars participate in 8 weeks of varied sessions.

I was very fortunate to have been supported by four fantastic assistant coaches too, who were able to assist each week with these sessions.

We kept the groups varied but in appropriate age groups to ensure we were able to provide lots of fun and learning skills to the interim game of Netball.

We received a great deal of feedback from many parents each week, who were thrilled with the skills presented in the program as well as the running and communication provided.

NetSetGo July Holiday program – 2 days

Dates: Monday 15 July

Registered players: 20

Assistant Coaches: 2

Tuesday 16 July

Registered players: 18 participants

Ages: All NetSetGo age groups

Assistant Coaches: 2

This year a holiday program was introduced for the first time at JNA. The number of players registered was lower than expected but there were various reasons contributing to this, such as:

- Netball WA did undergo a few changes to the NetSetGo Coordinator role, meaning that, communication was sometimes missed or not followed through. Basically due to the role being filled by various personnel in the weeks leading up to the program.
- This was also the first time that many associations within Netball WA introduced this program. So it was a fairly new event for most, who over the years, have only attended the holiday clinics offered by Netball WA direct.

Overall, I really felt that the holiday program went extremely well though, with incredible weather and Woolworths donating fresh fruit to us too. I kept both days with varied activities for the benefit of players attending both days. This concept was very well received.

I would still like to introduce holiday programs where timing and dates are suitable, as I feel with more exposure within our clubs, we may be able to have many more participants.

NET Spring program – 6 weeks

Dates: 19 October to 23 November

Registered players: 12

Ages: NET U5/6

Assistant Coaches: 1

This year a Spring program was also introduced into our association.

We had 5 returning participants from the Winter program and 7 new participants registered. Spring programs can be challenging with having to compete with other Spring/Summer sports in general during these seasons. Although I felt that we were very fortunate to have as many new participants as we did and each time this program is offered, I feel with more and more exposure from within our clubs, it will become a very popular program too.

I received a great deal of feedback too from all parents who were very satisfied with this program being extended from Winter and to offer more netball experience to these young netballers in anticipation for their next season

Overall, I have had a fantastic year in this role and look forward to seeing these programs continue and grow within our association.

Looking forward to 2020!

Thanks

Kerry Joubert
JNA NetSetGo Coordinator

JNA 2019 UNIFORM COORDINATORS REPORT

With the inaugural Metro League competition commencing in 2019, JNA's 4 Metro League team's athletes proudly wore JNA's Uniform. All Metro League athletes purchased a warm up tee. Warm up tees were designed with reverse association colours, this complimented our current stock. (Picture attached)

10 Fuel to Go & Play Association Championship teams proudly wore JNA's official uniform over the 3-day competition.

Merchandise:

JNA once again sold official merchandise to FTG&PAC Athletes with 29 customized hoodies and 32 singlets sold. Standard order of JNA singlets, to be submitted in December 2019, for early distribution to 2020 Fuel to Go & Play Association Championship Athletes.

Due to development trials being held mid-year, 6 sets of bibs were purchased.

Many hands make light work!

Thanks to Jo Bayliss and Joscinta Cole who assisted with sizing Athletes, Coaches, Assistant Coaches and Team Managers.

Jo Bayliss was an enormous help with not only sizing Athletes, Coaches, Assistant Coaches & Team Managers but with sizing and distributing of JNA Merchandise.

Alicia McDonald was once again, kind enough to be our courier, on numerous occasions dropping off and picking up from our supplier Dyenamic Sublimation in Welshpool, thanks Alicia!

A special mention to JNA Office Administrators, Vivian & Kaylene, for their knowledge, wisdom and never-ending support of all JNA Volunteers.

We look forward to seeing our 2020 representative's wearing our uniform with pride during the Metro League, Fuel to Go & Play Association Championships and other carnivals they may attend.

Sharon Knott
JNA Uniform Coordinator

Arena Community Sport & Recreation Association Inc.

2019 JSC (ACSRA) COMMITTEE REPORT

2019 has been a watershed year for the Joondalup Sports Club (ACSRA), which has seen many changes and developments. On the 29th June, the Premier Mark McGowan officially opened the new extension including, changing facilities, the JNA Netball office, athletics and rugby storage and a new meeting room, all to promote sports for all genders.

We have continued to seek ways of improvement to the running of the clubrooms with the implementation of a new booking system and calendar, MEX Facilities System, a new Key Matrix and new Lease with our vendor, Venueswest. Sadly we said goodbye to Alison McAfee, our Administration Manager and Treasurer on the Board of Members, Alison has moved onto further her career in Finance. We also farewelled Phil Bossert, our outgoing President who has been instrumental on the Board of Members for many years and also the extension project. Maisie Masterton has also given many hours to the Board and is thanked for his contribution. We welcomed Lyn Thomas as our new Administration Manager and Book-Keeper, Lyn brings with her a wealth of experience and is enjoying helping us and assisting Jackie with the daily facilities management. We welcomed back John Hillen with his wealth of knowledge and experience, from JBR, as our new Vice President and Treasurer, Myrica Maguire (JAC) and Sandra Kent as President of the Board of Members. Sue Joliffe, JAC, was also warmly welcomed to the Committee as were Kylie Kershaw (JNA President), Louise Rao (JAC President), Anthony Wall and Kevin Russell (JBR President).

Greater co-operation between the major stakeholders saw major events for Netball, Rugby and Athletics being advertised and televised at the club. The Clubrooms were opened for the Rugby World Cup games in Japan and there has been a social club element added to the club, with Friday night socials being implemented and a Christmas Quiz night organised by Donna Jackson Thomas, Jackie Williams and Lyn Thomas. Breakfast meetings continue to make a major contribution to the cash flow of the club as well as being useful in promoting local businesses. Soccer and Hockey continue to be very supportive and have generated further income for JSC as well as a happy community sporting atmosphere.

Our Facility Manager has worked hard to make catering changes and is providing delicious meals to hungry sportsmen, women and children. Our Facility Manager together with the ACSRA Committee, continue to work hard together to keep the club rooms neat and tidy, well stocked and staff well trained and equipped to provide a relaxing, fun and clean environment.

The main focus for ACSRA this year has been the ACSRA Clubroom Extension and adapting to our new surroundings, staffing and Committee.

We would like to take this opportunity to say thank you to the Joondalup Netball Association and ACSRA representatives for their help and support over the time we have been on the ACSRA committee. It has been a challenging Year, however, progress has been made and even with a difficult year for our members, the ACSRA Committee has remained positive and committed to this Community Facility which also helps generate profit sharing.

NET SET GO CLINIC 15TH AND 16TH JULY

FILOMENA LA VERGHETTA LIFE MEMBER 2019 Presented by Kylie Kershaw, President of Joondalup Netball Association

Upgraded sports facilities for local clubs – election commitment delivered

On Saturday 29 June 2019, Premier Mark McGowan officially opened the redeveloped Joondalup Sports Club.

The club, located next to the HBF Arena in Joondalup, has been extended to include two new unisex change rooms, a meeting room, office space, storage area, drink fountains, match office and fencing.

Joondalup MLA Emily Hamilton and Burns Beach MLA Mark Folkard strongly advocated for the upgrades and secured a grant of \$750,000 as part of the Local Projects, Local Jobs initiative.

The Joondalup Sports Club is home to a number of local sporting groups, including the Joondalup Netball Association, Joondalup Brothers Rugby Union Football Club, Joondalup Lakers Hockey Club, Joondalup Little Athletics and Joondalup XTR (triathlon).

Comments attributed to Premier Mark McGowan:

"Grassroots sport is where every athlete gets their start - whether they end up in the green and gold or playing social sport on weekends - and we are committed to providing top-class facilities throughout Western Australia."

Comments attributed to Joondalup MLA Emily Hamilton:

"Joondalup is a growing area and it's important we continue to deliver the infrastructure and services that our local groups need."

Comments attributed to Burns Beach MLA Mark Folkard:

"As an ex-rugby player, I know how important sport is to our local community. It brings people together and helps build camaraderie."

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

12A REPORT

What a beautiful weekend for the carnival. I had a fantastic group of girls this year. We had a tough weekend ahead of us being graded into division two, which was a big challenge. On our first day we played Fremantle, Kalamunda and Perth. We had a few nerves in our first game against Fremantle but as the game went on we gained a little more confidence. Again with our second game against Kalamunda we started slowly but kept the scores equal in the second half of the game once our nerves settled. We won our last game against Perth which gave the girls a little bit of a boost after losing our first two games. Our second day wasn't much better than our first losing all three games. We seemed to start slowly and finish strong, which unfortunately you can't afford to do with only two halves of netball. We needed to try and start strong and remain strong. Even though we only won one game the girls kept trying and kept smiling. They showed great sportsmanship and respect for each other and the other teams they opposed. I was so proud of these young ladies; they fought hard every game and deserved a little more reward for their effort. I would like to wish every one of the girls all the best with their netball future. If you all keep working on your passing and footwork you will all be outstanding young netballers in the future. I hope you all trial again next year and show your coach as much respect and hard work that you have shown me over the past few weeks. Thank you to Emma our Manager this year, she did a fantastic job and made my job much easier. Thank you to all the parents for all their support over the past 12 weeks you were all very lovely and supportive. Thank you to the umpires and committee you all did an amazing job this weekend.

Cheers

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

12B REPORT

The 12B's had a great year. The team was put into division 4 which both Steph and I thought would be a tough and competitive division for the girls and boys!

On the first day we played Mandurah and went down 12-19. Both Steph and I believed our team was a lot stronger but perhaps nerves got the better of us. We then beat Success by 1 goal, and Swan Districts by 3, a great end to the day. On the second day we went down by 3 to Kalamunda. Our first games always seemed to be our worst as it took the team a little to wake up. We then went on to beat Noranda by 4 and Busselton by 5. Going into day 3 there was a chance to make top two however we did rely on the outcome of other games. The team fought so hard in that last game and we unfortunately went down to Fremantle by 5. Success had won the Grad final who we had beat by 1 goal on day 1 which just shows how competitive our team was and how you always have to give it your all in every game, there was no room for mistakes! The team showed great sportsmanship throughout the carnival and to finish 4th in a higher division than the previous year was a great result. Thank you all for such a great weekend including our manager, Belinda, for all your help.

Daniel - C, WA, WD - Daniel you did an outstanding job in our midcourt, always giving 110% to every game. Congratulations on best player. Keep up the amazing effort and we hope to see you back next year.

Sam - C, WA, and WD - Sam you were fantastic in your determination and team work throughout the midcourt. Keep working on your footwork.

Teneal – GK, GD – Teneal congratulations on runner up. You should be very proud of how you played over the weekend; you have a very mature game for someone of only 11! Keep up the good work.

Ellis - GK, GD - Ellis you did a fantastic job in defence over the weekend, keeping your defender out of the circle. Keep working on your passing. Amazing job.

Tahlia - GS, GA, GD, GK – Tahlia you did some great work on the weekend. You are an extremely hard worker; keep working on your movement in the circle and driving forward for the ball. Awesome effort.

Emily - C, WA, WD – Emily you did some beautiful leads down court and were fantastic at applying pressure in the critical WD role. Keep working on your passing and developing on those great footwork skills you already have.

Victoria – GS, GA, WA – Victoria you had a great weekend. Your attitude is fantastic and we can see your love for the game every time you are out there. Keep working on your shoulder passes and have confidence in yourself to get those shots in, we know you can!

Ella - GS, GA, WA – Ella congratulations on a great weekend. Keep working on your movement inside the circle, to ensure your leads are angled and towards the ball. Great job and keep working hard.

Olivia - GS – Olivia you should be proud of yourself for the effort you put in over the weekend. Keep working on your movement in the circle and your shooting accuracy. Both Steph and I can tell you love the game so keep working hard and improving on your skills at club.

Good luck!

Amy Stuart and Steph Cooper – 12B Coaches

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

13A's REPORT

Going into the carnival we were well aware as a team that we would be facing some very tough opposition given that we had been graded into Division 2. This looked to be true in our first game where we faced a very big and strong Wanneroo team. There were some glimpses of what we were capable of, and although we worked hard, we were ultimately beaten by 10 goals. Nerves had played a big part but I knew we could compete at this level if we could settle into our own style of play.

The remaining 2 games on day one saw us putted against Freemantle and Mandurah. We played much better in these 2 games and started to assert our style on the opposition. There were some fine performances from all of the athlete's in these games but unfortunately we lost both by narrow margins leaving us without a win one day one.

Day 2 started with a game against Albany. A fine performance saw us take control early in the game and we never looked back running away to win easily 24 – 12. Next up came top of the table Noranda. With the confidence of a win behind us we started well and now looked like the talented team I knew we were. Half time found us 1 goal down with all to play for. The second half was hard fought, but we were brave and continued to play our style of netball, managing to score with the final shot of the game to win by one goal 21 – 20. The final game of the day was against Perth. Now playing with confidence we soon took control with some outstanding netball to win comfortably.

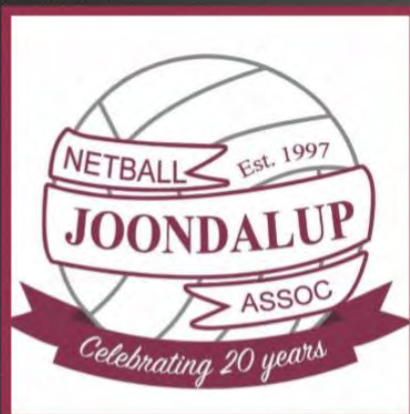

On the final day we knew we could not make the final, but wanted to finish the tournament well. This turned out to be the case and we ended up winning a tough game against Swan Valley by 2 goals, to finish the tournament with 4 wins.

I would like to thank all of the parents involved, especially our Manager Rochelle Edwards. You were all positive throughout, even when I made coaching decisions that you might not agree with. I am well aware that some of the decisions I make may be upsetting to your daughters, so thank you all for your support.

Finally to the players, you are an extremely talented group of young ladies, but it is your attitude and work ethic that defines you. You were a pleasure to coach, and the win against Noranda is possibly the best game I have ever had the pleasure to coach. You are a credit to yourselves, your families, and the Joondalup Netball Association. I look forward to seeing the athlete's you become in the future.

Thanks,

Craig (Coach)

2019 FUEL TO GO & PLAY ASSOCIATION CHAMPIONSHIPS

13UB REPORT

This was my second year being involved with coaching a JNA team and first year being head coach, it was great getting to know a new bunch of girls and watching the hard work of training pay off on the weekend. We were placed in division 4 which was competitive for this group of girls and we were also challenged along the way. Unfortunately the week before the tournament we lost Ella Mahony to injury so I had to ask players to move positions to make up for the loss in centre court which they did and did well. Saturday was a really hot day we started well against Singapore with a win 22-8 and that settled the girl's nerves. Next was Fremantle who we knew would be a challenge and they were, as was the temperature and we lost 19-9 then we had one game left which was against Noranda. I think the heat was taking its toll on the girls and energy wasn't as high as previously. We pulled it together in the second half and had a very close call to the end of the game with a missed penalty shot to Noranda in the last few seconds so we got our second win 10-9

Sunday started against Swan Districts it was a warm day again but a little better than Saturday. We also had another injury with Gemma Young becoming sick overnight, so once again I had to adjust centre court/defence. The first half the girls took a little time to get their netball head back on but came back strong in the second half to win convincingly 14-5, the second game of the day was against Leschenault. Our main shooter Jaime took a tumble, so I had to place Jess in as substitute. We adjusted quickly and had a win 10-7. The last game of the day was against Bunbury and we had definitely brought our A game this time. So much so I didn't have any coaching points throughout the game and we won 19-8. It was then that we realized we were second on the ladder and could make finals. I advised the girls to rest up. The only concern was captain Evune Neal had twisted her ankle so I advised to ice and elevate overnight.

Monday came and if we won then we were in the final if not it would come down to goal difference. Gemma had recovered from her illness so we adjusted positions again, we played against Belmont and the girls were definitely nervous. It was a up and down game, some great moments, but again nerves came in and errors were made. We ended up losing 12-9 so had to wait and see Noranda's result. Noranda had won and it came down to goal difference. The match office confirmed ours was the greatest which meant we were in the final against Fremantle.

The girls were extremely nervous so when we got there we went through everything we knew we had to do against Fremantle. The warm up was mainly trying to settle their nerves and have a bit of fun by dancing and wiggling our butts in the team huddle. The game started off strong but once Fremantle gained the lead the girls felt the pressure again. We had some great moments but also made some stressed errors and the game ended 20-10, to Fremantle. The girls played their hearts out and tried their best.

I really enjoyed the whole weekend and seeing the girl's confidence grow in themselves and the team jell together. I did ask all the girls to come back next year and trial again. I hope they all gained additional skills from the 10 weeks of training. Some of them took that and improved so much I have no doubt they will be successful again next year.

On a personal level I'd like to thank Connie for being my manager and stepping in when I had to run to watch my daughter's game. One last thanks goes to the group of lovely girls I had the pleasure of coaching and made me extremely proud in getting to the final, they listened and put into practice what we were showing them, which lead to some amazing results and an enjoyable weekend.

FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

14B REPORT

What a fun and competitive championship it was for these amazing U14 athletes. Thank you to all girls, their parents and our amazing Manager for a wonderful experience of training and working together. Debbie did a fantastic job of organising the girls throughout the whole training season and tournament, thank you Debbie. I was extremely excited for the team and couldn't wait for the opening ceremony to begin the games.

Day 1 - we had three tough games. A close game against Manjimup at 11:20, moving onto a defeat by Margaret River after lunch which shook us a little in the second quarter and then we ended the day by beating Singapore in a nail-biting late game finish. The team worked beautifully together and satisfaction with pride at our efforts was how we ended our first day! At no point did I have any concerns about our competition and knew our girls would hold their own. Each time the girls took to the court that first day, I was overwhelmed by their skill and commitment to playing their best.

Day 2 - three competitive matches against Bridgetown, Bunbury and Sport Ready NA. We put up a good fight against Bridgetown but being one of the top teams they were just too strong. This defeat didn't dampen our spirits, we dominated Bunbury in every respect, enjoying a convincing eight-point win in our second game. A well-oiled machine at work, we displayed pure sportsmanship and determination in our last game, often during adverse circumstances. The physical nature of the game was tiring at the end of a long day, however the number of turnovers Phoebe, Emily and Chenin won was just phenomenal. Once again, Rhiannon, Karrys, and Kya worked intensely making sure we won those passes it was great to watch the girls' athleticism, skill and drive in getting the ball to Tegan and Olivia who worked the goal circle tirelessly, making sure their job was done brilliantly.

Our final day, 10am, Rockingham – the unbeaten team took to the court confidently. JNA - the confident team took to the court intensely. We dominated from the start! Rockingham Centre was cautioned 5 or 6 times and yet we never backed down. Every player played to perfection! The whole 12 weeks came together, perfectly! We beat Rockingham confidently. An intense game to coach in the atmosphere of amazing supportive parents. Thank you JNA DEVCOM and the girls' Club coaches for coming down and supporting our girls, we were all super thrilled to end such a great weekend with an awesome win.

I am so proud of these girls, I could see this tournament was not only about winning every game, it was about playing their best every game and they should be proud 5th place overall in Division 4. You all have amazing attitudes, skill and talent and I wish you all the best with your netball futures and hope you all trial again next year! Thank you again to Debbie, I really enjoyed working with you and the girls. Thank you to all the parents for all their support over the season, I appreciate your encouragement of your girls and of me, even though I doubted myself at times. Thank you to the umpires and committee you all did an amazing job this weekend.

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

15A's REPORT

This year I had the privilege of coaching the 15A's for the 2019 newly renamed Fuel to Go & Play Association Carnival.

I had a great little team with girls that not only had fantastic attitudes, but a lot of netball smarts. We mostly trained with the 15B's as both teams only had 8 girls and if anyone was away (which was often the case) it meant that together, we had enough athletes to do our drills with. Won't lie, going in with 8 girls had us all on edge and knowing they were in Div 2 put added pressure on us. But the girls were reassured that they had a big advantage going in with a small team; more court time for them and that they had solid combinations and strategy that had been drilled over the 10 weeks pre carnival training.

Carnival weekend came. Day one. Everyone was nervous but full of energy and focused on the task ahead. First Game we versed Mandurah and had a convincing win of 33-18. Second game we versed Albany and although it was tight, the girls strategically played a very strong defensive game of netball to win again 28-25. Third game against Fremantle saw us matching them initially but when one of our girls twisted her ankle in the first half, the whole team was shaken up and we had a dismal loss of 16-30.

Day two. As expected, all girls arrived on time and with renewed hope when our injured teammate came with a heavily strapped ankle and an 'I can do it' attitude. We spent our warm up closely monitoring her and decided that she was 'fit to play'. First game was against Kalamunda, who were looking like finals contenders. Although we lost, we had a respectable score of 20-26. Second game for the day was against Manjimup and it was a nail-biting win 24-23, fatigue was setting in. Last game of the day was against Bunbury and they somehow dug deep to have a convincing win of 25-18.

Day three. Last game for the weekend. By now we knew we were not going to be in the finals (we had to score a ridiculous 50/60 something goals to get into finals, more than one goal a minute) but the girls went out and had fun, still gave me 100% and absolutely annihilated the hosting association, Perth, with a win of 30-15. As soon as that game was over, one of our girls was seen throwing up in a wheelie bin from sheer exhaustion.

It was a tough weekend for the girls but the netball they played was really fantastic to watch. I couldn't have been prouder of this group of athletes with how they adjusted to each different style and strength the other associations brought to their games. One of our 15A girls had injured her ankle very early in the training season, and although she was cleared the week before the carnival, that injury just saw me having to manage her fitness during the carnival. Combined with the twisted ankle from our other defender during the carnival, it really impacted the load all the other girls had to take on - all through the mid court, all the way up to the shooting end. By the end of the carnival, every single one of them really had nothing left in their 'tanks' and I would strongly recommend to never go to an association carnival with a team of 8 girls again.

In conclusion, this was a great team. The parental support was fantastic! The athletes were amazing and I'd be shocked if they all didn't come back to JNA in 2020.

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

15B's REPORT

The 15B team of athletes this year showed great determination, sportsmanship and talent. The team was driven, they wanted to be successful and this showed on court.

I had the pleasure of watching this team grow and mature on court over the Fuel to go weekend and with each game, win or lose, the team pulled together and maturely made decisions together on how to improve. The team had the maturity to understand their strengths and weaknesses and actively worked together to fine tune and improve.

Fun, sometimes can be lost in competitions as the pressure builds and the expectation to win is felt. Not this team. This team had fun! They truly enjoyed the experience, and this lifted them on court.

Finals were only a goal away! We went out by one goal in a tremendous game and I am proud to have coached such a mature, fun loving team whom should be incredibly proud of themselves.

We were very lucky to be supported by a great manager Kimberley who was super organized, encouraging but also competitive too! Thank you!

I look forward to seeing how much the athletes improve over the next year building upon what they have learnt at training and the experiences on court over this competition weekend, we have great talent at JNA!

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

17A REPORT

This was the competition as a coach, I was most looking forward to. The reason for this was the calibre of athletes within the team, all of whom were very strong in their respective positions.

We worked tirelessly on the various, especially centre court connections / combinations at training, this was in preparation for the competition.

The weekend presented, mixed results, not due to lack of effort or skill. We had an excellent first game, then came unstuck on the second, this was due to some of the combinations, just not gelling as they did during training and mock games. Unfortunately trying to adjust these combinations on the weekend, per game, proved very difficult with mixed results achieved.

I thought overall we had a reasonable outcome, won some, lost some, but the young ladies never gave up. This is a testament to the calibre of athletes within the team.

2019 FUEL TO GO AND PLAY ASSOCIATION CHAMPIONSHIPS

17B REPORT

We decided to take two teams to the competition due to the number of athletes that trialled.

We only had 4 defence and 4 shooters trial, so split these between A and B. The balance of the athletes were mid courters.

Day 1 already presented issues as when both our shooters arrived for the start of the day, one was very sick and the other had her shooting hands fingers in a splint as she had injured them. They both tried their best, but due to circumstances (Illness and injury) the team could not convert many opportunities. At the end of Day 1, it was obvious that our one shooter was not well at all and would not continue, whilst our second shooter really struggled with her injured fingers. This left us scrambling to reshuffle and use mid courters as shooters to continue with the weekend. Needless to say our circle defenders were kept very busy and did an exceptional job.

It was great to see various mid courters and defence, take up the challenge, on the spot and fill in unfamiliar positions to them. We ended the weekend with a spectacular last game win, this with most athletes playing totally out of position.

The team never gave up, they fought with what they had, never dropped their heads and bonded really well over the weekend.

Warren Deverneuil (Coach)
