Only socks will need to be purchased to wear alongside the uniform.

### IMPORTANT NOTE:

Please take note that this program is a development pathway into further Netball WA programs such Fever In Time (FIT), 17/U West Coast Future Fevers (17/U WA State Team) and other state teams within NWA.

The Fuel To Go and Play Association Championships is a competition for all associations across WA to enter in their top selected athletes and teams.

JETS 2026 trials will see some age groups form one squad instead of two teams for that age group. Athletes will need to keep this in mind when trialing for JETS.

Throughout the year, there will also be an opportunity for our JETS squads/teams to participate in other various carnivals and development programs. These will be communicated to athletes ahead of time.

All decisions are made by the JETS Development team and are final.

Trial registrations are now open, with full schedules and selection procedures to follow early in 2026.

Follow the link at the top of the memo making sure all your contact details are up to date.
